Tierra Magnifica's Family Surf & Adventure Camp Additional Eco tours and Adventures

While in Nosara you'll have a list of exciting tours and adventures to experience.....more than can be done in a week. From sport fishing, turtle viewing, river kayaking, beach horse rides, to ATV tours, we have a lineup that will keep you as busy as you want to be. Most tours are half day adventures so there will be time for relaxing in between the fun. The Zip Line tour in Nosara is the highest and longest in Latin America. And the sport fishing, well, we've enjoyed many nights of fresh Tuna, Mahi Mahi and Red Snapper, and lots of photos of exhausted anglers with their bill fish beside them.
